

Haitian Support Ministries Newsletter

November, 2017

After being rejected by the Airline twice, the third time was a charm. We were able to carry an 80 pound electronic piano donated by a generous individual from Faith Church Dyer, In. to Jacmel. Those who have visited Calvary Church know how the congregation loves to sing and the new piano is greatly appreciated.

World Missions donated solar powered audio Bibles in both French & Creole languages. Jean-Claude received them enthusiastically for pastors and leaders in the mountains who cannot read. Large lather bound study Bibles in French were donated by a generous individual from Lamb's Chapel.

We visited the reconstructed church in De Paul and were delighted to see the new “kitchen” under the tarp. Children sang welcome songs and the parents expressed gratitude.

We were treated to a practice session led by Calvary's worship leader, Eubert who in addition to serving as principle at a school for 600 in the mountains volunteers to teach the children from the after school program to play wind instruments. We hope they will lead the procession through the streets of Jacmel at next summer's revival.

We visited the reconstructed church in De Paul and were delighted to see

A trip would not be complete without visiting Pastor Roger at the Beaudoin church where we found him teaching and leading the singing before providing a meal to the children.

One of the first members of Calvary church, Rosalin continues to serve in many ministries including leading teaching and prayer before a children's meal in Calvary.

Those of you who have traveled with us in the last two years got to know Germaine, Kerline and Rony. They have been faithful interpreters for the deworming, and VBS trips. They lead much of the after school programs and teach Sunday school. They have graduated from secondary school and been accepted to university programs. Financial help is need for them to attend. Unlike the U.S. a student can

attend university in Port au Prince for less than \$ 2,000/year. If you would like to help please designate your gift.

The members of Calvary Church are very poor. They cannot financially support all the ministries of calvary Church. As we approach this Christmas season please consider an additional gift to HSM to support the ministries of Calvary Church in Jacmel, Haiti. A pledge card is enclosed or gifts may be made on line at HaitianSupportMinistries.org.

Merry Christmas from Pastor Jean-Claude and the HSM Board
